WORK HISTORY WORK HISTORY

Head of Internal Migration Department

NATIONAL POPULATION COUNCIL (CONAPO)

Mexico City, Mexico

2017 - November 2024

- Developed and executed research projects on marginalization, poverty, vulnerability, internal migration, general mobility, internal displacement, and related socio-demographic indicators to inform demographic planning in the country, resulting in evidence-based policy recommendations and interventions.
- Researched and analyzed population and development data from diverse sources, resulting in the creation of comprehensive technical responses utilized by federal public administration agencies to inform decision-making and policy development, driving effective resource allocation, and promoting sustainable development outcomes.

Achievements

- Methodological improvements in the scheme of the Marginalization Index in all the different levels of geographical disaggregation are key to the social policies and government programs of the country
- Evaluate the quality of the environment in issues of equipment for the Official Mexican Standards for Certification of Disability (PROY-NOM-039-SSA-2023).
- Implementation of the Odisea | Mexico platform in collaboration with the United Nations Economic Commission for Latin America and the Caribbean (ECLAC) of the Population Division of CELADE. (Link: <https://odisea.redatam.org/mex/>).

Assistant in the Internal Migration Department

NATIONAL POPULATION COUNCIL (CONAPO)

Mexico City, Mexico

January 2016 – July 2016

- Conducted research on internal migration laws and policies to ensure compliance and accuracy.
- Database management and analysis on migration, marginalization, and socio-demographic indicators.

Coordination assistant of Risk Department

RURAL FINANCIAL

Mexico City, Mexico

January 2010 – November 2013

- Provided administrative support to the coordination team, including document preparation, data entry, and file management.
- Assisted in coordinating and monitoring risk management activities to ensure compliance with company policies.
